WORKS OF ART

Every piece starts with the vision of a true artist. Sketched by hand, shaped with artistry, and brought to life by skilled artisans. Hand-set crystals. Sculptural forms. Mixed metals layered with richness and depth. These handcrafted works of art are made with extraordinary attention to detail, creating gifts that feel as special as the woman who receives them. Unlike anything else, they are designed to be treasured for years to come.

TIED WITH LOVE

Lazo Knot necklaces pair smooth heart silhouettes with double tied knot details at the top, creating a beautiful symbol of love and affection. A signature favorite, the Interlok Astrid Straw Organizer Bag, thoughtfully designed with a full organizer hidden behind the front pocket, complete with multiple card slots and pockets for everyday ease.
